FREQUENTLY ASKED QUESTIONS

Where can I earn points in the Club?

You can earn rewards points by using your membership card on eligible transactions within the Club's eateries, bars and gaming lounge. Points cannot be earned at any other dining facility within the Club.

Do I keep my loyalty points forever?

No. Loyalty points expire on 30 June each year for Bronze, Bronze Plus and Silver members. Rose Gold, Gold and Platinum members keep their points, pending their tier level on 30 June each year.

What are my points worth and what is my minimum spend on redemptions?

1 reward point is the equivalent of \$0.01. The minimum spend with points on redemptions is \$0.01. Points cannot be redeemed for cash.

How do I find out how many points I have?

Swipe your membership card at the Member Rewards Kiosk located throughout the Club. Your total points value can be seen via the touch screen prompts.

If I use my points for redemptions or to buy something, will it affect my status points?

No. Spending points is encouraged for additional discounts, where applicable. Status credits are used to determine a members tier level only, and are not affected by redemptions or spend within the Club.

How often will a tier review happen?

Tier reviews take place every 6 months in February and August.

Status credits earned over a rolling 3-month period determine membership tier level.
